[Updating Reinvestment Options](#)

After you log onto Investor Center, you can update your Reinvestment Options. On the Portfolio screen, follow the instructions below to enroll or change your Reinvestment Option.

Please Note: All Custodial accounts do require the Custodian's authorization. Please contact your Financial Advisor for instructions on how to enroll in the DRIP. All registered accounts please follow the instructions below.

1. Click on the purple circle next to InvenTrust Properties Corp.
2. After the holder's name is displayed, place your mouse on the Select Action button
3. Select Reinvestment Options from the drop down
4. Modify your enrollment status
